

Guess how many teacups and teapots are hidden

How to play

1. For a suggested entry of \$5, ask your guests to guess how many teacups and teapots are in this picnic scene.
2. Make sure your guests don't count- it needs to be a guess!
3. The correct answer is printed in the top right corner, so please fold this over before allowing entries.
4. The entry with the closest guess wins a prize. Prize to be donated by the host and funds collected to be donated to Cancer Council to help fund Cancer Council's research, prevention and support programs for those impacted by cancer.
