

Lucky Teapot

Make a gold coin donation for your chance to win.

What you need

1. A prize to award to the winner (optional).
2. A large teapot (if you don't have a spare teapot, you can use a large teacup or even a decorated container).

How to play

1. Place the large teapot on the floor and create a starting line roughly 7 metres from the teapot. Remember the further away, the more challenging it will be!
2. Ensure everyone taking part has a gold coin donation ready.
3. Guests take turns tossing their gold coins into the large teapot. The first one to get it in wins a prize, everyone else donates their gold coin to Cancer Council.

All donations fund Cancer Council's life-saving research, prevention and support programs.
